

# 56<sup>th</sup> International Symposium ELMAR-2014

Zadar, Croatia, September 10-12, 2014

## Call for Papers - Student Session

During the 56 years of activity ELMAR symposium became a significant scientific conference in the field of multimedia communications, image and video processing, navigation systems, speech and audio processing, telecommunications, wireless communications, electronics in marine, naval architecture, sea ecology, and other advanced research areas. Besides, every year ELMAR symposium gathers specialists of various kinds (government representatives, navy, industry, universities and various business people from the region) to discuss the most recent issues and contribute to appropriate market development in Croatia.

The scientific program includes keynote talks by eminent international experts and contributed papers. Papers accepted by two independent reviewers will be published in symposium proceedings available at the symposium. ELMAR-2014 symposium is sponsored by the Croatian Society Electronics in Marine (ELMAR).

**Prospective B.Sc. and M.Sc. students** are invited to submit their papers to ELMAR-2014 Student Session which will be organized during ELMAR-2014 symposium. ELMAR-2014 Student Session is organized and technically co-sponsored by the student activities of the IEEE Croatia Section. Author of the best student paper will be awarded with the Best Student Paper Award during the opening session of the ELMAR-2014 symposium.

One copy of the printed symposium proceedings, two nights in a hotel, symposium gala dinner and an excursion will be covered for one student per accepted paper - this student must present her / his accepted paper.
