

21-23 September 2026, Zadar, Croatia

## Call for Papers

The 68<sup>th</sup> International symposium ELMAR-2026 will traditionally be held in a beautiful town of Zadar on the Croatian Adriatic Sea.

ELMAR symposium attracts prominent scientists and specialists to present and in the friendly atmosphere discuss latest research advancements, contributing to the technological development. ELMAR-2026 program includes oral presentations of scientific papers and keynote talks held by eminent international experts from the symposium topics. Scientific papers reviewed by two international reviewers and presented at the symposium will be published in the ELMAR-2026 Proceedings. Accepted and presented papers will be submitted for inclusion into IEEE Xplore, subject to meeting IEEE Xplore's scope and quality requirements.

The symposium will take place at Falkensteiner Borik Resort, which offers access to beautiful beaches, swimming pools, and sport terrains. In the vicinity there is an "open-air museum" – the 3.000-year-old town of Zadar, which combines the beauty of the past and the experience of the contemporary urban life. During ELMAR-2026 several social events and an excursion for participants attending in-person will be organized.

### Topics
